

## **BUNNY BASKET**

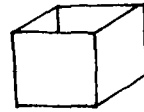

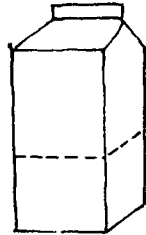

### Materials:

1. (1) ½ gallon milk carton
2. (1) 4"x18" pink construction paper
3. (2) 4"x10" pink construction paper
4. (1) 2"x18" pink construction paper
5. scissors and white glue
6. cotton

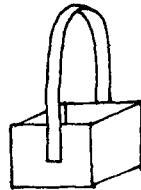

### Steps:

1. Using scissors, cut the milk carton down so it is about four inches high. Glue the 4"x18" pink construction paper around the milk carton. Trim off any excess paper.

2. Glue the 2"x18" strip of pink construction paper to the sides of the milk carton to make the handle.

3. Fold the two 4"x10" pieces of construction paper in half together, lengthwise, and cut out half a bunny shape. Open.

4. Glue the bunny shapes to the covered milk carton, one on each side. Use the cotton to make tails.
